

RETURNS TO TONOPAH WITH HIS BRIDE

MEL M. POTTER OF THE TONOPAH & GOLDFIELD R. R.
A BENEDICT

M. M. Potter, the popular soliciting freight and passenger agent of the Tonopah and Goldfield railway, returned to Tonopah yesterday after a few weeks' absence. Now Mr. Potter's return would have been nothing out of the ordinary had it not been that he was accompanied by Mrs. M. M. Potter. The ceremony was performed at Oakland on the 16th of this month, and since that date the couple have been enjoying a honeymoon in southern California. The bride is an exceedingly attractive woman and was one of the most popular young ladies of Oakland, her home city.

When Mr. Potter departed from this city, but few knew of his mission. These few were mostly attaches of the railroad offices and just prior to the departure, they presented the groom-to-be with a handsome present to which was attached a card bearing the well wishes of the donors.

Mr. and Mrs. Potter will make this city their future home.

MUSICIANS WILL GIVE MASQUERADE ON OCTOBER 8TH

MEMBERS OF LOCAL UNION
PREPARING TO MAKE IT
A BIG SUCCESS

A masquerade ball is on the program for the evening of October 8. The event will be under the auspices of the members of the local Musicians' Union, and already the committees are hard at work to make the affair a success. There will be five good prizes offered for the different characters. The prizes will be well worth contesting for and should draw out a number of elegant costumes. They will be placed on display within the next few days. Those who contemplate attending the masquerade should get busy right away and prepare their costumes.

CASINO STARS ARE DEFEATED BY HERTEL'S TEAM

EXCITING CONTEST ENDS WITH
THE CLOSE SCORE OF
22 TO 19

Pete Hertel's champions lived up to their name yesterday when they crossed bats with the Casino Stars. The contest was one of the most exciting ever witnessed on the local diamond and when the smoke had cleared away at the end of the ninth the score stood 22 to 19. The score itself speaks for the closeness of the game, and but for the splendid support afforded both pitchers, the tally would have been much larger.

Both the Stars and Champs were cheered on by a large and enthusiastic following. Owing to a dispute over the pitcher for the Champions, the bats were declared off prior to the opening of the game.

Owing to the closeness of the score, it is thought a return game will be played at an early date.

MARS IS LIFELESS

Advices from W. W. Campbell of Lick observatory announce that the photographs and spectrographs made by the Crocker expedition on Mount Whitney two weeks ago practically establish there is no life on Mars. The observations made permit the astronomers to conclude there is no water vapor around the planet, and without water life is believed to be impossible. So it seems that a great problem has at last been solved.

NEVADA WINS FOOTBALL GAME FROM U. OF P.

PLAYERS OF THE SAGEBRUSH
STATE VICTORIOUS BY
SCORE OF 43 TO 0

Victory perched on the banners of the University of Nevada football team at Reno Saturday when they defeated the team from the University of the Pacific by a score of 43 to 0. The Nevada players completely outclassed the visitors from the start and made the first score within half a minute after play started. At no time did the Californians have a chance to score. The reports received here state that over 1000 people witnessed the game, which shows that football has secured a hold on the residents of Reno. The only thing lacking in the report was the absence of the name of any player from this city. There are several students at the university from Tonopah who are making records in the study line, but as yet have failed to appear in any of the athletic events.

MANY ERRORS LOSE BALL GAME FOR TONOPAH

GOLDFIELD TEAM WINS CONTEST BY A SCORE OF
FIVE TO FOUR

Sunday's journey to Goldfield by the Tonopah ball team proved rather disastrous for the invaders, for the game was lost by a score of 5 to 4. Tonopah had the game well in hand until the fifth inning, when the score stood 4 to 0. An error by Agnew on second base and a fly missed by Morris in center field, were responsible for the five runs that ensued. The inning proved a "comedy of errors" which bore a close resemblance to a tragedy.

The Tonopah team showed considerable improvement in slick work and, with the exception of two errors, played a good game throughout. As the series now stands, Goldfield has one the best of the games played. The two remaining games will be played on the coming Sundays, one in Tonopah and the other on the Goldfield diamond.

DRUM CORPS WILL VISIT THE PORTOLA FAIR

WILL PARADE IN SAN FRANCISCO ATTIRED IN PROSECTOR SUITS

The Tonopah Eagles' drum corps, whose sixth weekly dance will be given on Thursday evening, will have for that occasion as good an orchestra as has ever played dance music in this state. To accompany Messrs. Voss and Tatro, they will have William Dickson, cornetist, and A. W. Carl, drummer, both well known in this city. The corps are desirous of giving satisfaction to their patrons and have employed the above orchestra by request.

It is their intention to take in the Portola carnival in San Francisco, and in order to help swell the fund for this purpose, they will give an all night dance in the Auditorium skating rink at Goldfield on Tuesday, September 28.

M'GILL BAND WILL GO TO GOLDFIELD

As stated in the Ely Record last week, the McGill band of 23 pieces will go to Goldfield and will be one of the most attractive "displays" at the mining congress. Something more than \$700 has been raised by public subscription toward paying the expenses of the band, and the balance will be raised by a ball to be given by the band at Wonderland, September 22, which will be liberally patronized throughout the district. The McGill band is one of the best musical organizations in the state, and will reflect credit upon the camp.

COUNTY NOW THE OWNER OF A LAW LIBRARY

CHOICE ASSORTMENT OF LAW
BOOKS RECEIVED BY COMMISSIONERS YESTERDAY

Six hundred and twenty-seven volumes of law books were received by the county commissioners yesterday, which form the nucleus of a library to be used by attorneys.

The action of purchasing a law library was decided upon at the August meeting of the board, and the county clerk was authorized to order the volumes from the West Publishing company of St. Paul, Minn.

The assortment will be added to as fast as new reports are published and will in time become one of the most up-to-date collections in the state. The county commissioners will have charge of the library and will probably use the room they now occupy for the storing of the volumes.

The books received were as follows: Northwestern Reports, Vol. 1 to 121; Northeastern Reports, Vol. 1 to 87; Atlantic reports, Vol. 1 to 72; Southwestern Reports, Vol. 1 to 119; Southern Reports, Vol. 1 to 48; Southeastern Reports, Vol. 1 to 64; New York Supplement, Vol. 1 to 116.

The books will be a great aid to the local followers of Blackstone in the preparation of cases.

COMMISSIONERS SIT AS BOARD OF EQUALIZATION

DUTIES FOR THIS WEEK WILL
BE TO EQUALIZE ASSESSED

The board of county commissioners met yesterday as a board of equalization and during the day heard a few complaints on the part of property owners who alleged that they had been over assessed. The board will continue its session until it has thoroughly gone over the entire list of taxable property in the county. Yesterday's meeting was mostly devoted to the outside townships.
